Dear Tony:

On behalf of the Alameda Schools' Special Olympics Program, we would like to take this opportunity to thank you for so generously donating your time and energy in making the pasta for our 25th Annual All Italian Car and Motorcycle Show. As a result of the many wonderful supporters such as you, we were able to provide a wonderful Italian luncheon for our patrons which resulted in a successful show once again!

There were many proudly uniformed Special Olympians on hand staffing the admission gate, snack bar, and raffle contest. It was heartwarming indeed to realize that through the kindness of so many individuals and businesses, these fine athletes are well on their way to securing the uniforms and equipment they will need for the activities in the coming year.

Again, thank you very much for your support. It is greatly appreciated.

Sincerely,

Debbie Opperud,
